Mr. Hubert Lambert, Engineer  
State of Utah  
Capitol Building  
Salt Lake City, Utah

Dear Mr. Lambert:

I am enclosing my check in the amount of \$45.50<sup>50.05</sup> covering the assessment for the Garner Ditch Company of Ogden, Utah.

For your records, would you change the records of the title on 16-A from William P. Stephens to Jonathon Edmund Browning Corporation, the present owner.

We, who participate with you, wonder if you could give us the following information:

What type of service is rendered by the State Engineer's office to justify the assessment?

Has anyone from the State Engineer's office made a survey or been on the areas?

In your opinion, is this charge justified - or should it be eliminated?

Very truly yours,

GARNER DITCH CO.
